

# Vasectomy Friday at Bay Urology

---

At Bay Urology Fridays are dedicated to vasectomies. Big sporting weekend on tv? Schedule your vasectomy on Friday with us and have the weekend to recover on the couch...back to work on Monday.

We are well practised at putting your mind at ease, and having done nearly two thousand, you can be reassured that you'll have the best possible outcome.

## There are 2 steps involved

A **consultation** (usually on a separate date), followed by the **procedure**. You'll be in and out in an hour, and have the weekend to recover. Medical insurance usually covers the costs of the procedure.
